MASTERTENT®

S1

ENGLISH.

MASTERTENT S1 folding tents stand out with high quality, strength and great looks. The strongest and most durable thanks to its robust all-aluminum frame - octagonal leg profile of 43 x 49 mm (1.69 x 1.93 in) and wall thickness of 2.5 mm (.10 in). The S1 line offers countless customizing options: frame colors, 12 fabric colors, variety of printing options, and unique features like automatic awnings and patented designs – create the perfect MASTERTENT solution for your business, special event or recreation activities. The S1 series of folding tents are premium MASTERTENT quality and lead the industry being trusted by professionals for frequent use over long periods of time - backed by outstanding warranties, certifications and customer service.

ESPAÑOL.

La línea S1 de nuestras carpas plegables MASTERTENT, convence gracias a su estructura plegable y a su robusto perfil octogonal en aluminio de 43 x 49 mm (1.69 x 1.93 in) y con 2.5 mm (.10 in) de grosor. Las carpas MASTERTENT S1 ofrecen numerosas posibilidades de personalización: estructuras a color, 12 colores de tejido en techo y paredes y diversas posibilidades de impresión. Podrá personalizar su carpa MASTERTENT a su gusto, creando así, un medio publicitario excelente para promocionarse. Al comprar directamente al fabricante podrá beneficiarse de las amplias garantías y certificaciones. Sin lugar a duda, la línea S1, es el producto de alta gama de MASTERTENT y está recomendada para ser usada durante un largo periodo de tiempo de forma profesional.

Sizes

ENGLISH.

MASTERTENT folding tents are available in 12 different sizes: from the compact 5 x 5 ft, the classic 10 x 10 ft, a high peak 17 x 17 ft, up to an expansive 26 x 13 ft. The larger tents offer from 270 – 340 ft² of space with one easy to use folding tent! If you need ever more room, try our S1 automatic roof awnings or connect multiple tents together in our modular system – sturdy connecting clamps and heavy-duty rain gutters between each pairing allow the tents to expand endlessly.

ESPAÑOL.

Las carpas MASTERTENT están disponibles en 12 medidas diferentes. Desde la más pequeña de 5 x 5 ft, la 17 x 17 ft, hasta llegar a la gran 26 x 13 ft, con más de 270 – 340 ft² de superficie cubierta con una sola carpa. Si desea aumentar la superficie cubierta, nuestras carpas pueden ser dotadas con voladizos de apertura automática en uno o más lados. Además, gracias a nuestro sistema modular, las carpas MASTERTENT pueden unirse entre ellas de forma rápida, ampliando la superficie cubierta hasta el infinito.

ENGLISH.

The MASTERTENT S1 offers automatic roof awnings that are beautifully integrated into the frame and roof of the folding tent. Like every MASTERTENT, our automatic roof awning style tents can be set up in just 1 minute with no additional tools or loose parts - awnings open automatically as the tent frame unfolds. Awnings are available on any side: 1, 2 adjacent, 2 opposite, 3 or all 4 sides of the tent. Each side with an eave extends 32 in. with 1, 2 or 3 awnings and 26 in. when all 4 sides have awnings - offering expansive coverage and shelter for the respective tent size.

ESPAÑOL.

Como toda carpa MASTERTENT, también el modelo con voladizo puede ser montado en 1 minuto, sin necesidad de herramientas. Los voladizos se abren automáticamente, no contienen pequeñas piezas que podrían perderse. Dependiendo de la necesidad, los voladizos están disponibles en 1, 2, 3 o 4 lados y ofrecen así más superficie cubierta y útil a la carpa.

17 x 17 Pagoda

ENGLISH.

The MASTERTENT 17 x 17 ft Pagoda has a grand presence with the ease and convenience of a folding tent. The innovative frame allows for this expansive tent with its towering 16 ft roof peak to quickly fold down to an easy transport size with no additional tools or loose parts. The attractive silhouette and elegant scalloped valances are perfect for special events while the innovative folding design saves a tremendous amount of time and cost over traditional pagoda style tents. At close to 17 x 17 ft this tent offers over 270 ft² of coverage space.

ESPAÑOL.

La carpa MASTERTENT 17 x 17 ft Pagoda convence gracias a su imagen extravagante, su forma particular estilo pagoda y su faldón ondulado. En comparación con otras carpas tradicionales, el montaje es muy rápido y simple. La carpa plegable MASTERTENT de 17 x 17 ft Pagoda ofrece 270 ft² de superficie cubierta y espacio para 96 personas de pie o bien 48 personas sentadas. El transporte y almacenamiento son muy simples gracias a un embalaje compacto.

patented

10 x 10 Square

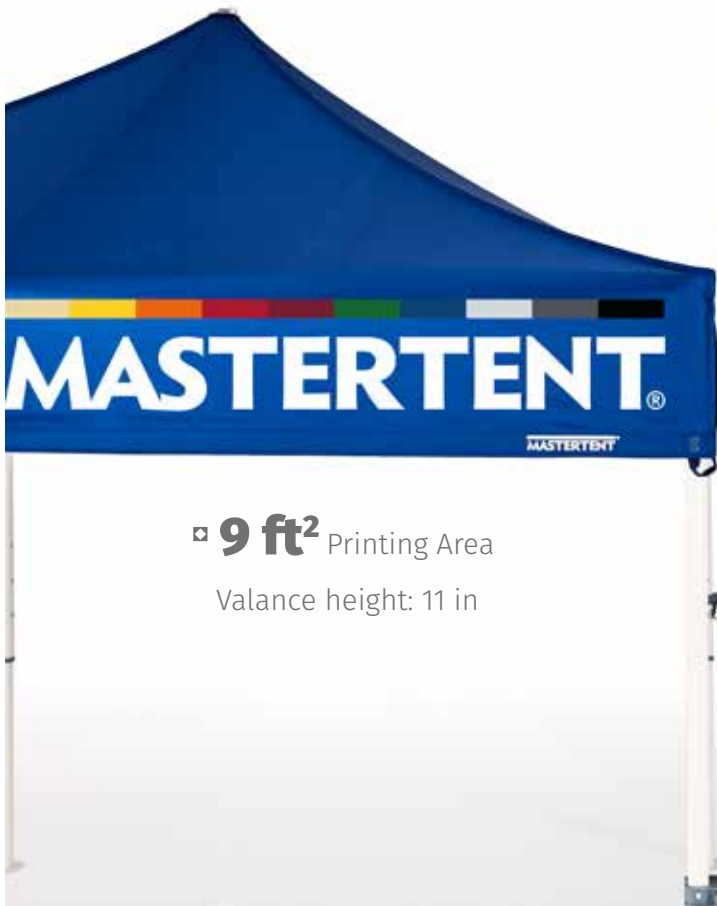

ENGLISH.

The MASTERTENT 10 x 10 ft Square is unique and eye-catching - the perfect advertising tent that attracts the crowd to deliver a big message. The innovative frame provides enormous roof sides - nearly 3ft tall and creating almost 30 ft² of roof advertising surface on each side - approaching 3x the vertical space of a classic roof. The channeled roof and integrated water drain keeps the Square performing rain or shine.

ESPAÑOL.

La carpa MASTERTENT 10 x 10 ft Squaree convence gracias a su forma única: El techo plano con el faldón alto de 29 in, dispone de 24 ft² de superficie imprimible en el mismo faldón (en comparación con los 9 ft² de la clásica 10 x10 ft) convirtiéndola así en un óptimo medio publicitario.

▣ **9 ft²** Printing Area
Valance height: 11 in

▣ **24 ft²** Printing Area
Valance height: 29 in

Weight: 99.2 lbs.
Entrance height: 6' 7"
Overall height: 9'
Pack size: 17 x 17 x 81 in

As rainwater is channeled to the center of the roof, the water-tight drain seal and pipe keeps in flowing out - easily install in any direction.

Pavilions

ENGLISH.

The MASTERTENT pavilion is an excellent robust and heavy-duty option for information centers, food and beverage stands, promotions or sales activities, and much more. The roof as well as the side panels are completely customizable with high-quality printing options - attract attention, deliver a message and give visitors the best experience possible. Thanks to a tool-free quick-locking setup, the pavilion can be ready for use in just a few minutes. The interlocking transport and storage boxes make maneuvering the pavilion to and from venues easier and organized - no specialized setup crews needed.

ESPAÑOL.

El Kiosco MASTERTENT está diseñado para satisfacer la necesidad de cubrir un espacio semi estable y a la vez fácil de montar, ideal para utilizarse como estand promocional, punto de venta o estand de bebidas. Gracias a su fácil montaje sin necesidad de herramientas, el kiosco estará listo en pocos minutos. El techo y los paneles laterales son totalmente personalizables, para así, hacer más visible su marca. El contenedor para el transporte y almacenaje, permite un montaje cómodo y sencillo del producto, sin necesidad de personal cualificado.

Tables and benches

ENGLISH.

MASTERTENT's high-quality Euro style tables and benches are crafted from carefully selected premium spruce wood with a variety of stain treatments and UV-resistant coatings for lasting durability. Our folding tables and benches have a long history of popularity with the most famous breweries in the world. The innovative features add to the increased performance: stabilizing base frame, quality powder coating, C-shaped metal profile and enhanced x-bracing are just some of them. Available in different sizes and colors, as well as customizations upon request.

ESPAÑOL.

Madera de abeto, cuidadosamente seleccionada, tratada en sala de secado y pintada con lasur resistente a los rayos UV. Nuestro set cervecero cuenta con una larga historia, utilizado por las marcas de cerveza alemana más famosas del mundo. Se distingue por la alta calidad del producto. Con un innovador herraje trapezoidal en forma de C, nervios de refuerzo y pintada en polvo. Disponible en diferentes tamaños y colores. Personalizable bajo pedido.
